# ABOUT THE SHOW

**“Put on your party pants and bust out da bread!”**

**SwaySway and Buhdeuce are two carefree ducks who fly around in a super sweet rocket van, delivering bread to hungry beaks everywhere.**

**These best buds live together, laugh together, and get into all sorts of riduckulous adventures together on their planet Pondgea.**

**No matter what, nothing stops these two bread heads from shaking their tail feathers and getting a little bit QUAZY!**

# PONDGEA

Pondgea is a watery planet covered with ponds, where ducks have naturally evolved as the dominant species. QUACK! QUACK! On Pondgea, you can find cattails the size of trees, lily pads the size of football fields, and ponds the size of oceans. It's a good thing SwaySway and Buhdeuce have a rocket van, because their bread deliveries take them all over this vast, quazy planet.

From Duck Town to Tree City to Volcano Valley, Pondgea is a unique and unusual world, filled with ducks, geese, swans, bugs, owls, frogs, toads, beavers, gators, and any other creature you might find in a pond, swamp, or marsh. And don't forget the monsters! You can find bread-hungry monsters swimming in the water, flying in the clouds, and even hiding underground in the bread mines.

It's a dangerous world, so ya better watch them tail feathers – especially if your job is delivering bread! Even though SwaySway and Buhdeuce have to risk their beaks every day, they loaf what they do and they never give up!

# MEET THE CAST

***Awesomeness!***

# SWAYSWAY

The rock of the flock and leader of the party-punchin' pack! SwaySway is an upbeat duck who never gives up. He comes from a long line of Breadwinners, and now he's proud to carry on the family tradition of getting bread up in yo beak! Sure, he's been known to use bad judgment now and again... and again. But he's a total expert when it comes to flying the rocket van (and crashing it).

## **SwaySway Quotes:**

# BUHDEUCE

*yippity yip yip!*

The loyal booty-kickin' co-pilot! Buhdeuce is a hard-working duck, who just wants to be the best Breadwinner he can be. He's spastic, temperamental little dude, and he's been known to lose his head from time to time. Buhdeuce has a lot of heart, but not a lot of experience, so it's a good thing he has a best bap like SwaySway to help show him the ropes... and tie his shoes... and butter his toast.

## **Buhdeuce Quotes:**

*Yip! Yip!*

*Yippity yip yip!*

*B-B-B-B-BOOTY KICK!*

*Buhh*

SwaySway and Buhdeuce's beloved pet frog. Jelly is named after her favorite condiment. She's super friendly, silly, and not so bright. You could say she's a few slices short of a loaf. Watch out for her tongue or you'll get slobbered!

**Jelly Quotes:**  
Ribbit! Ribbit!

# THE BREAD MAKER

The baker of bread! The yielder of yeast! And deliverer of dough! The Bread Maker is a magical dude who lives in the center of the planet. Not only does he make all the bread, but he's also made of bread! He's super cool and wise, and he's always willing to offer a slice of advice to his two favorite bread heads.

## **The Bread Maker Quotes:**

Flour power!  
Rise like the yeast that inspires ye.  
Greetings bread heads!  
Good luck, my ducks!

# KETTA

This hyperactive swan is SwaySway and Buhdeuce's good friend and ace mechanic! No matter how busted up the rocket van is, Ketta can always fix it up in a jiff. She even gives it sweet new modifications. Sure, these mods might not always be safe, but they're always awesome! Ketta is super smart and has a real knack for inventing stuff – like the rocket skates she zips around on!

## Ketta Quotes:

Aw lug nuts!  
So that's how burnt toast feels.  
Trust me, you'll loaf it!  
Hello Gentlebaps!

# T-MIDI

Talonious Midi (a.k.a. T-Midi) is SwaySway and Buhdeuce's number one customer. This eccentric owl doesn't just like bread – HE LOAFS IT! He even has a "Rare and Precious Bread Collection." T-Midi lives in a super fancy tree house in Tree City – so you better wipe your webbed feet before entering!

## T-Midi Quotes:

Hoot hoot hurrah!  
Sheesh-uh-roo-roo!  
Abso-hoot-ly not!  
I'll take a dozen loaves of your finest clammy  
brioche!

# RAMBAMBOO

She's the Chief of Tadpolice and the toughest toad you'll ever meet. Nothing makes Rambamboo more satisfied than flying around in her jetpack and turning lawbreakers into toast. Rambamboo is always looking for a reason to bust SwaySway and Buhdeuce – and ANY reason will do.

## Rambamboo Quotes:

Leapin' lily pads!  
Your mud flaps are muddy. Gonna have to write  
you up for that!  
My sky! My rules!  
You are testing what little patience I have!

# OONSKI THE GREAT

This big brawny Viking beaver has three simple goals in life: EAT, BEAT, and STEAL! With his menacing crew of mindless ducks, Oonski flies around Pondgea in his Viking Blimp looking for towns to raid, treasure to steal, and parties to crash. He's not the brightest beaver in the pond, but don't tell him we said that because he will definitely clobber us!

## Oonski Quotes:

EAT! BEAT! STEAL!  
Get back here, puny featherbrains!  
Victory dance!  
OONSKI ANGRY!

# THE LOCATIONS

# SWAMP PAD

Part lighthouse. Part birdhouse. ALL AWESOME! The Swamp Pad is where SwaySway and Buhdeuce live, work, and EAT BREAD! It's even got a super sweet dock that they use as a runway for the rocket van. The guys operate their bread delivery business out of the Swamp Pad, which is built directly over a bread mine. On Pondgea, you don't just bake bread – you MINE it! That's because the interior of the planet is made entirely of bread!

# BREAD MINES

Before they can deliver bread to their hungry customers, SwaySway and Buhdeuce have to mine it in the bread mines. Here you can find any type of bread you can imagine: Bubblegum Rye, Huckleberry Spaghetti, Jelly-Filled Alfalfa, Lumpernickel, Rainbow Confetti, and more! The guys access the bread mines by taking an elevator from the Swamp Pad down into the planet. They then ride through the bread mines in mine carts and use their pick axes to mine all the yummy bread they want. The bread mines are a magical and dangerous place, filled with broken mine tracks, boiling lava pits, and evil monsters. If you're lucky, you might run into the Bread Maker, a legendary dude who lives in the center of the planet and makes all of the planet's bread.

# DUCK TOWN

This colorful town is filled with happy-quacky ducks who love getting bread up in their beaks. SwaySway and Buhdeuce fly here in the rocket van to deliver loads of loaves. They also come here for all of their ducky needs, whether it's groceries at the Quack-E-Mart, a haircut at Feather Cuts, or a fancy meal at Chez Quackerella's. Just be sure to stay out of the Lower Yeast Side. This dangerous place is the armpit of Duck Town.

# VOLCANO VALLEY

Look out for hot lava and duckosaurs! This is Volcano Valley, easily the most dangerous place on Pondgea. It's also where you can find SwaySway and Buhdeuce's friend and ace mechanic, Ketta. The guys bring the rocket van to Ketta's Auto-Tune-Up shop whenever it needs to get fixed... which is pretty much ALL THE TIME considering how often they crash it!

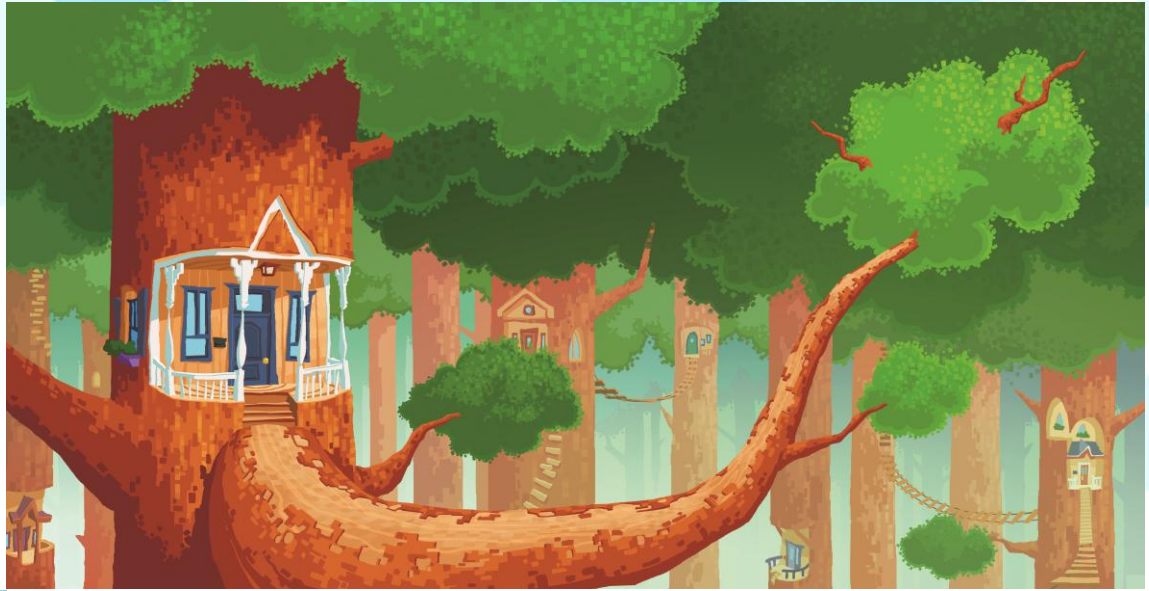

## KETTA'S AUTO-TUNE-UP

When SwaySway and Buhdeuce need to fix or upgrade the rocket van, they head over to Ketta's Auto-Tune-Up located in Volcano Valley. If it's got wings, wheels, or rudders, Ketta can fix it! She loves giving the rocket van high-tech new modifications. Of course, those modifications often backfire. Aw lug nuts!

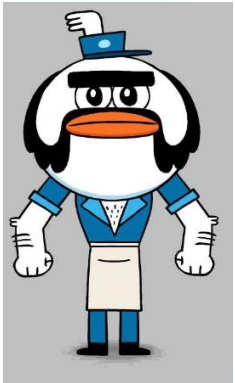

# TREE CITY & T-MIDI'S TREE HOUSE

Located high up in the biggest trees on Pondgea, this amazing city is teeming with owls. The homes here are built directly into the giant trees themselves. Some of the trees are even big enough to fit entire mansions! Tree City is home to T-Midi, SwaySway and Buhdeuce's number one customer.

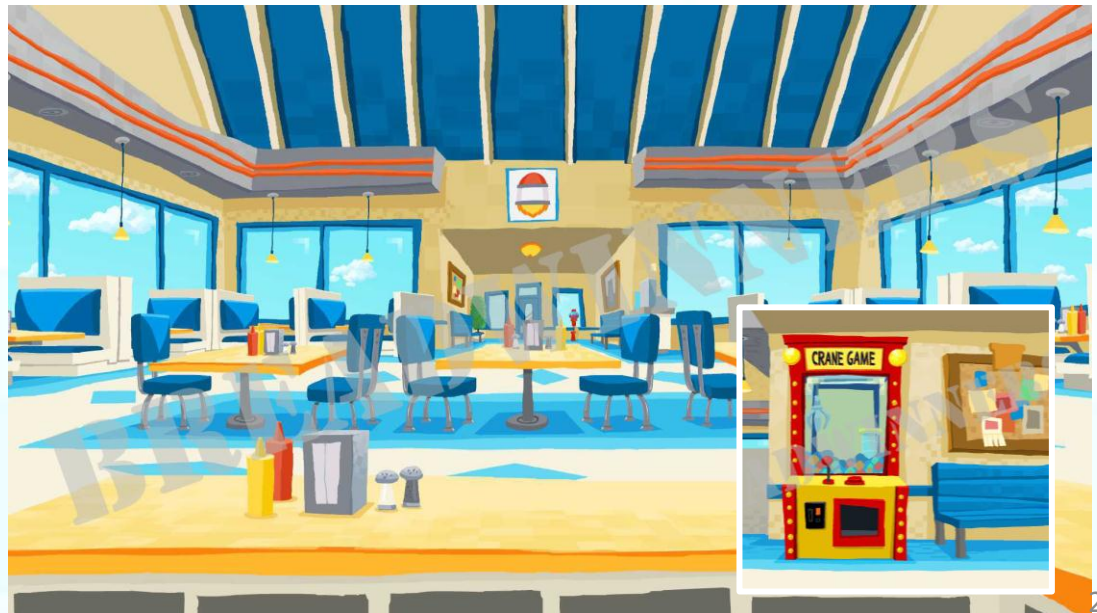

# PUMPER'S

It's the greatest diner to ever float in the sky – and the only one, too! SwaySway and Buhdeuce go to Pumpers to grab some tasty grub and refuel the rocket van. Pumpers is owned and operated by Mr. Pumpers, a lively stork who serves up tasty meals and loves shouting out his favorite catch phrase: BOOM YUMMY!

*Mr. Pumpers*

# OONSKI'S VIKING BLIMP

The only thing more dangerous than a Viking ship... is a Viking BLIMP! This mean machine can float on the water or fly through the sky, making it the perfect vessel for pillaging and plundering. Oonski has a crew of tough Viking ducks, who have the distinct honor of swabbing his deck, ironing his loincloth, and being shot out of cannons at his enemies!

I LOAF YOU.

*Awww thanks,  
Buhdeuce!*
