Written by

COLD OPEN

INT. DETENTION BASEMENT

The camera acts as the perspective of an incidental student from a new school who has landed in weekend detention with NATE WRIGHT. Nate pops up to talk to cam.

NATE

Oh hey, look at you.
Detention after only the first week
of school. Tsk tsk tsk. You should
be ah- MAZED with yourself!!!
What'd you do?

The camera shakes its "head."

NATE (CONT'D)

Oh just late for class,
heh? Well, you've got a lot to learn,
grasshopper. Stick with me. I'm the
most awesome prankster you'll ever
meet. Few have been able to achieve
the feats that I have in the short
eleven years I've been alive. I'm
sure you've heard of me.

The camera shakes its head "no" again.

NATE (CONT'D)

WHAT?! You must be new
here. Whaddya say we sneak outta
here? I'll give you the lay of the
land, and I'll show you around the
BEST. SCHOOL. EVER.
