"Food Fight"

EXT. MONSTER HIGH - ESTABLISHING - NIGHT

DRACULAURA (V.O.)

*It started out as a perfect day at
Monster High.*

INT. MONSTER HIGH CLASSROOM - SAME

DRACULAURA (V.O.)

*First, I slayed my persuasive
monster-logue speech:*

DRACULAURA

...In conclusion, humans practicing
witchcraft are dangerous. And if a
monster does witchcraft, that's
even worse! It's an insult to
monster society.

SPECTRA

<HAPPY NOISE INTO DROOP>

DRACULAURA

Witchcraft is beneath us. Thank
you.

STUDENTS

Monsters rule!/You go,
Draculaura!/We're better than
witches! / Yeah!

LAGOONA

<SHOCKED>

MRS. O'SHRIEK

Absolutely dreadful, Draculaura!
But I'd expect no less from the
vampire daughter of the PFFT.

CLAWDEEN

Pfffffft?!

DRACULAURA

PFFT. P.F.F.T. It stands for
"Premiere First and Foremost Top-
Monster." My dad's kinda a big
deal.

MRS. O'SHRIEK

Your semester-long creative project is to record a *Monster Minute* everyday on this iBall. This will allow you to practice your communication skills.

MRS. O'SHRIEK (CONT'D)

You can pour your hearts out!

CLEO

<EFFORTS, SMACKING JAR>

CLEO (CONT'D)

Heart poured out. Assignment done.

INT. MONSTER HIGH CREEPETERIA - MOMENTS LATER

DRACULAURA (V.O.)

After class, I went with my roomies to the Creepeteria.

FRANKIE

Menu said Sloppy Joes, made from real Joes, extra toes! Yummers!

DRACULAURA

Need to cram before Dad gets here for daddy-daughter movie night.

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - CONTINUOUS

DRACULAURA (V.O.)

After that, just did some studying, exactly like I said I was doing.

DRACULAURA

Tater tykes are to die for.
<CHEWING> Mmmm.

DRACULAURA (CONT'D)

Okay, transformations. Turn a pencil into a pen. For best results, say spell confidently.
Shifting shadows--

TORALEI (O.S.)

I can't believe the Headmistress let in that half-human.

INT. HALLWAY OUTSIDE OF DORM - SAME

LAGOONA

Clawdeen? But she's so nice!

TORALEI

Exactly! What's next? Witches?

LAGOONA

Yeah! There'll be a star-crossed romance between a monster and a witch. The monster will eat the witch and use their bones as decoration!

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - SAME

TORALEI (O.S.)

Witches don't belong here, Lagoona.
Not even if we up-cycle them.

DRACULAURA

<SAD/DEJECTED EXHALE>

DRACULAURA (CONT'D)

*Shifting shadows, heart of storm.
Obey my spell, now... transform?*

DRACULAURA (CONT'D)

No-no-no-no!

TATER TYKE

<GROWLING THEN BITING>

DEUCE (CONT'D)
<GAG!>

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - SAME

INT. HALLWAY OUTSIDE OF DORM - CONTINUOUS

DRACULAURA
We have to catch that Tater Tyke
before my dad gets here!

CLAWDEEN
What?!

FRANKIE

She said, "We have to catch that
Tater Tyke before my dad gets
here!"

TATER TYKE

<RUNNING AND JUMPING EFFORTS>

CLAWDEEN

<ACTION IMPACTS>

TATER TYKE

TATER TYKE (CONT'D)

<UH OH NOISE>

TATER TYKE (CONT'D)

<LIGHTBULB MOMENT>

TATER TYKE (CONT'D)

<JUMP THEN CLIMBING/PULLING
EFFPORTS>

CLAWDEEN

Whoa! This school has secret
passageways?

FRANKIE

Yep! Got lost last week on my way
to the Creepeteria and found all
sorts of secret stuff.

INT. SECRET PASSAGEWAYS - MOMENTS LATER

FRANKIE/DRAC/CLAWDEEN

<SPINNING NOISE>

FRANKIE

Found a cupboard to the catacombs,
a junk drawer with a portal into a
ketchup packet factory, and in our
room, there's a compartment with a
bunch of witch stuff!

DRACULAURA

Witch stuff? No way! What?

TATER TYKE

<RUNNING/MONSTERY NOISES>

DRACULAURA

In our room?

DRACULAURA (CONT'D)

Never in a monster million!

FRANKIE

Right. No one would break the rule:
"Witchcraft is forbidden for
monsters and punishable by
expulsion!"

FRANKIE (CONT'D)

Got some frontal lobe from the
Poltergeist who wrote the code.

CLAWDEEN

Unless my human knowledge is even
less spook-tacular than I thought,
there aren't Tater Tyke monsters.
But that Tater Tyke must've been
brought to life by witchcraft. Who
was in our room, had tater tykes --

DRACULAURA

It was me!

DRACULAURA (CONT'D)

I was, um, doing research for my
anti-witchcraft speech. And the
librarian had a banned spell book
and, um, I was holding it for her.

TATER TYKE

<RUNNING/MONSTERY NOISES>

FRANKIE

There!

CLAWDEEN

<JUMP EFFORT, IMPACT>

TATER TYKE

<RUNNING/MONSTERY NOISES>

My memoirs!

CLAWDEEN

Over there!

TATER TYKE

<LAUGHING THEN RUNNING>

HEADMISTRESS

When I get to the bottom this,
heads will roll! And not just mine.

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - MOMENTS LATER

DRACULAURA

No sign of that tyke anywhere. When
the Headmistress finds out I did
witchcraft, she'll tell my Dad and--

DRACULA (O.S.)

Draculaura! Draculaura!

CLAWDEEN

Speak of the devil!

FRANKIE

No, the Devil's Heath's dad -- has
a goatee, invented pimples *and* 24-
hour news channels. That's *Dracula*.

DRACULAURA

Hey, Dad!

DRACULAURA (CONT'D)

Dad, you're on mute.

DRACULA

So, I wrapped the PFFT judgements early. Had to banish a vampire for a wardrobe violation. Harsh, but we all know baseball caps are beneath us. I'll be there soon! Bat out!

FRANKIE

<ELECTROCUTED NOISES>

FRANKIE (CONT'D)

Idea! Whatcha need to catch that Tater Tyke is...

FRANKIE (CONT'D)

ACCESSORIES!

CLAWDEEN

A secret closet full of bionic prosthetics? Fangtastic!

FRANKIE

Need a hand catching a delicious potato product? I got an arm for that!

CLAWDEEN

Frankie will catch it and --

DRACULAURA

I'll reverse the spell.

CARROTS (CONT'D)

<MONSTERY NOISES, CRIES/IMPACTS>

CLAWDEEN

You didn't have that spell book
just for your anti-witchcraft
speech, did you?

DRACULAURA

No. I was doing witchcraft because
I... I like doing witchcraft. It
makes me feel like *me*.

FRANKIE

But ya had that whole anti-witchcraft speech!

DRACULAURA

I guess I was trying to convince myself. Everyone wants me to be a rule-stickler vampire like my dad.

DRACULAURA (CONT'D)

I just want to be a witch. But that's just not the vampire way.

CLAWDEEN

Well, according to my werewolf eyes, you're a vampire -- and you're a witch.

DRACULAURA

I am? I'm a witch. I'M A WITCH!

DRACULAURA (CONT'D)

<SNORING>

HEADMISTRESS

WITCHCRAFT! Who is behind this?

DRACULAURA

Uhh...

CLAWDEEN

Me. It was me.

FRANKIE

If I may address the Headmistress.
The rule is witchcraft is forbidden
for monsters, but Clawdeen's half-
human. Her human side did it.

CLAWDEEN

Lawyer brain?

HEADMISTRESS

A technicality!?

SKULLETTE

Dracula's here! Ooh, Dracula's
here!

HEADMISTRESS

Come along, Draculaura. Can't have
our PFFT seeing his daughter with
these troublemakers.

INT. MONSTER HIGH HALLWAY - MOMENTS LATER

DRACULA

Aaaand here you go, kid. Bat out!

HEADMISSTRESS

Dracula! Always a honor to have a
monster of your caliber in our
halls!

DRACULA

Evening, Headmistress. And there's
my perfectly putrid princess!

DRACULAURA

Daddy!

DRACULA

Tonight's movie is a real treat.
1985's Vampire 2: Second Blood.

INT. AUDITORIUM - MOMENTS LATER

DRACULA

As a vampire, it is my duty to keep the world in check. I must uphold the ways of old, ensuring the integrity of each who come after me.

DRACULAURA

Dad, I want to tell you something.
I-

DRACULA/DRACULA (ON SCREEN)

Vampires never tolerate disrespect for tradition. Banished! Bat out!

DRACULA

So what were you saying again, little apple of my fang?

DRACULAURA

I... really like daddy-daughter nights with you.

INT. HALL OUTSIDE OF C/F/D'S ROOM - LATER

CLAWDEEN

Draculaura? Uh, why'd you knock?

DRACULAURA

Can you invite me in?

CLAWDEEN

Yeah. But it's your dorm too.

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - LATER

DRACULAURA

Not anymore. I'm really grateful for what you did tonight. But I can't keep putting you at risk. I decided to move out of our dorm.

FRANKIE

But if ya did that, how will you use this witch's lair?

DRACULAURA

<GASP>

CLAWDEEN

I may not know everything about
being a monster yet, but my
werewolf instincts say we're a pack
and that means we're here for you --
however, whatever you choose to be.

DRACULAURA

Thank you.

FRANKIE

Let's get huggy!

CLAWDEEN

<HOWL>

DRACULAURA (V.O.)

In the end, it was a perfect day --

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - LATER

DRACULAURA

Maybe my dad wouldn't think so...or
the Headmistress. But I feel good.
And that's my monster minute.

INT. HALLWAY OUTSIDE OF DORM - SAME

TORALEI

Draculaura has a secret --

TATER TYKE

<GROWLS, BITE>

TORALEI

What the tater? MEOW!

TATER TYKE

<IMPACT, RUNNING/LAUGHING>

"Unfinished Brain-ness"

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - DAY

FRANKIE

Helloooo iBall! My brain's bursting to tell you about today. It started with our art class assignment which seemed easy-queasy: Mrs. O'Shriek wanted us to "Make an artistic representation of who you are."

INT. MAD SCIENCE LAB - NIGHT

FRANKIE (V.O.)

I was doing a brain chart. It shows the itty-bitty brain bits that went in my skull-hole.

FRANKIE (V.O.)

Draculaura painted a painting with paint.

DRACULAURA

And they said a vampire selfie couldn't be done!

FRANKIE (V.O.)

Clawdeen was making a poem out of the letters of her name.

CLAWDEEN

Clawdeen. Alright. C is for creative? No, that's too on the nose. Confident? Maybe? C is for confused!

CLAWDEEN (CONT'D)

I wish I were a Frankenstein monster. You're lucky to know what, er sorry I mean, *who* you're made of.

FRANKIE

Mom and dad kept all the records. I just put 'em on a poster. *Voila! C'est moi!*

DRACULAURA

Oo-la-la! Language skills from your
French Gargoyle brain piece?
Vintage brains are so chic!

FRANKIE

Having second-hand brains mean I
gotta lotta know-how for bein' new.
I can do a fancy-dance--

FRANKIE (CONT'D)

And that bit's from a monster
model. So I can "skize!" That's
"scary eyes" for short.

CLAWDEEN

Hey! Got any poet in there that
could help me with my project?

DRACULAURA

Let me look!

DRACULAURA (CONT'D)

How about -- "Dr. Blunder!"

DRACULAURA (CONT'D)

They were a monster inventor from
the ancient 1970s who was cursed.

FRANKIE

Cursed?

INT. MAD SCIENCE LAB - FLASHBACK - 1970S

DR. BLUNDER

Nothing groovier than rollerskating
while bringing to life the franken-
beast that's gonna protect Monster
High!

DR. BLUNDER (O.S.) (CONT'D)

All I gotta do now is add the
Essence of Life. "Warning: Use only
according to the directions or be
cursed. Yadda yadda... Add two
drop..." <FALLING>

DR. BLUNDER (O.S.) (CONT'D)

NO!

DR. BLUNDER (O.S.) (CONT'D)

That was way more than two drops!

WATZIE

<GROWL>

DR. BLUNDER (O.S.)

<REACTION TO EXPLOSION> Guess that means I'm cursed!

INT. MAD SCIENCE LAB - PRESENT DAY

FRANKIE

Whoa! I had a memory! And I was Dr. Blunder.

FRANKIE (CONT'D)

Here! The curse came from this "essence of life." Guess my parents kept it with the doc's file.

CLAWDEEN

But Frankie, if you can dance like your ballerina brain part, then--

FRANKIE

For sure cursed like Dr. Blunder. Wonder what kind it is? Maybe it's a curse to always wake up right before my alarm goes off.

DRACULAURA

Um curses are above my witch-grade, but what I know is they cause permanent doom and gloom for the curse-ee.

CLAWDEEN

Not permanent! Says here: "To reverse the curse, tap the bottle three times to anything brought to life with the essence."

FRANKIE

Huh. Saw it get dump all over some sort of terrifying beast-creature.

SKULLETTE PA

<SCREAM>

FRANKIE

Oh wells! Let's get to class. Maybe we'll have a pop quiz...and my curse is to ace pop quizzes!

CLAWDEEN

Better keep this safe.

INT. HALLWAY - MOMENTS LATER

BG STUDENTS

<CHATTER>

SKULLETTE PA

...and the catacombs are closed for renovations. Failure to keep out of the catacombs is punishable by death ...

DRACULAURA / CLAWDEEN / FRANKIE

<GASP>

SKULLETTE PA

Pardon, misread. Punishable by *detention!*

DRACULAURA / CLAWDEEN / FRANKIE

<LAUGHTER>

CLAWDEEN

Are you sure the curse isn't to be really good at helping your friends with their assignments?

FRANKIE

Clawdeen, garbage goblin on your left--

CLAWDEEN

<STRUGGLING EFFORTS>

FRANKIE

Oops! I meant *right!* Not left!

DRACULAURA

Grab on to her fashionable-and-comfortable shoes! <PULLING>

FRANKIE

<PULLING>

CLAWDEEN

Phew! That Garbage Goblin almost were-wolfed me down!

FRANKIE

Sorry! My mistake.

INT. SCIENCE LAB - THE PAST

DR. BLUNDER (O.S.)

I am cursed to make mistakes!

WATZIE

<GROWL>

INT. MONSTER HIGH HALLWAY - BACK TO PRESENT

FRANKIE

I am cursed to make mistakes!

DRACULAURA

Now that's a curse.

CLAWDEEN

Maybe the curse was to only make one mistake and you already got that out of the way! So, just be careful and you'll be fine.

INT. CLASSROOM - MOMENTS LATER

HEADMISTRESS BLOODGOOD

And the antidote is?

FRANKIE

I know -- oh!

SPECTRA/HEATH/BG STUDENTS

<GASP>

HEADMISTRESS BLOODGOOD

Draculaura, to detention!

FRANKIE

It wasn't her! It was me!

HEADMISTRESS BLOODGOOD

Can't get your friend out of detention this time, Frankie. "Bite my artery red" is not your color.

DRACULAURA

<SIGH>

FRANKIE

<IMPACT>

INT. CREEPETERIA - MOMENTS LATER

INT. LI-SCARY - LATER

FRANKIE

Should probably sit over there,
where I can't get ya with my curse.

DRACULAURA

Don't go too far, Frankie, we'll
miss you!

HEATH BURNS

<FALLING EFFORT>

CLAWDEEN

Wow, now that's a dumpster fire.

FRANKIE

Sorry! I'm all mistaken-up!

CLAWDEEN

It's okay, Frankie. It's not your fault. It's your cursed brain piece.

DRACULAURA

Yeah. We support you but we need to support you from afar. Like, across the school.

FRANKIE

Wait! There has to be *something* I can do to get this curse out.

FRANKIE (CONT'D)

The ultra getter-outer 3000!
<PULLING EFFORTS>

INT. CATACOMBS - FLASHBACK

DR. BLUNDER(O.S.)

I must get the curse out! Until I can fix this mistake, I must keep the beast in stasis, locked away in the catacombs.

WATZIE

<GROWLING>

INT. LI-SCARY - BACK TO PRESENT

FRANKIE

The beast's in the catacombs! If we find it, we can reverse the curse! Then, we can all hang out together again! Let's go!

CLAWDEEN

Aren't the catacombs closed?

DRACULAURA

And shouldn't we prepare before seeking out a terrifying beast? Like hire fierce wulver warriors to go find it for us while we get mani-claws!

DRACULAURA/CLAWDEEN

<YELP>

DRACULAURA

Never mind. This is urgent! Let's go. Right now.

INT. CATACOMBS - LATER

CLAWDEEN

Whoa! Why haven't you shown me this place before? It's so creeperific!

FRANKIE

Ohhh Catacomb renovations sure are shaky!

DRACULAURA

Uh, I think I heard my dad calling. I should go!

DRACULAURA (CONT'D)

A disappearing door?!

CLAWDEEN

Cool -- Or not. Not cool.

FRANKIE

Course it was a mistake to come down here! Cursing cursed curse.

DRACULAURA / CLAWDEEN / FRANKIE

<GASP, THEN SCREAMING>

INT. HIDDEN LAB - CATACOMBS - CONTINUOUS

FRANKIE

Why do I gotta have a brain bit that's cursed to make mistakes forever and ever and ever?

CLAWDEEN

The essence of life... "To reverse the curse, tap the bottle three times to anything brought to life with the essence."

DRACULAURA

Yeah, we know.

CLAWDEEN

But I didn't read the whole thing before. "Instructions", "warnings", -
- Ah-ha!

(MORE)

CLAWDEEN (CONT'D)

"Contents and all associated curses expire December 31st, 1983." Your brain hasn't been cursed in a long time.

FRANKIE

I'm not cursed? Then why'd I make a bunch of mistakes?

DRACULAURA

Maybe because *everyone* makes mistakes. Remember that time I called Headmistress Bloodgood "mommy?" Mortifying.

CLAWDEEN

And it was my mistake to not finish reading the label. Oops. Sorry.

FRANKIE

It's okay, Clawdeen. Hey, it's okay, me! Guess I got all in my brains about the curse and it kept tripping me up.

DRACULAURA

Yeah, like, maybe we kinda leapt to conclusions about the curse. And *that* mistake is on us. We're sorry.

FRANKIE

So, if I'm not cursed to make mistakes, then something in my brains can get us out of here! Just need to amp up the voltage...

WATZIE

<FAINT GROWL>

DRACULAURA

Is that a terrifying beast?

CLAWDEEN

Relax. That was just catacombs renovations. hey, maybe if we follow the noise, we can find our way out.

WATZIE

<FAINT GROWL>

FRANKIE/DRACULAURA

AHHHHHHHHHHH!

WATZIE

<GROWL>

FRANKIE/DRACULAURA/CLAWDEEN

AHHHHHHHHHHH!

WATZIE

<YAWN/SNORE>

FRANKIE/DRACULAURA/CLAWDEEN

Huh?

FRANKIE

Is that the beast?

DR. BLUNDER (O.S., REPRINT)

I should've never tried to bring
this beast to life.

DR. BLUNDER (O.S.) (CONT'D)

You were supposed to be terrifying!

DR. BLUNDER (CONT'D)

What a horrendous mistake!

DR. BLUNDER (O.S.) (CONT'D)

No. Stop it! Stop being cute! I was
trying to make a fierce guardian to
protect Monster High!

DR. BLUNDER (CONT'D)

Until I can fix this mistake, I
must keep the creature in stasis,
locked away in the catacombs.

WATZIE

<SNORE>

FRANKIE

Stasis... oh that must be like a
really deep sleep.

CLAWDEEN

Wake up.

FRANKIE

He's a franken-beast. So getting
him out of stasis takes a little --
<CHARGING ELECTRCITY NOISES>

WATZIE

<HAPPY BARK, LICKING>

DRACULAURA

Maybe one doctor monster's
"mistake" could be another Franken-
monster's perfect franken-pet?

FRANKIE

Yeah! And I don't think he's a
mistake at all! What'dya say...
what am I gonna call you? What-ing,
what-ed... Watzie!

WATZIE

<HAPPY BARK, SNIFFING>

CLAWDEEN

We found the beast, all we need now
is to find a way out.

FRANKIE/CLAWDEEN

<GASP>

WATZIE

<HAPPY BARK>

FRANKIE

Whoa! Way to go, Watzie!

FRANKIE (V.O.)

But I've still got a lot to learn
about me! I'm not just like the
pieces of my brain were. I get to
make my own decisions... and my own
mistakes!

INT. CLAWDEEN/FRANKIE/DRACULAURA'S ROOM - LATER

FRANKIE

So, uh, thanks for coming to my
Monster Minute for today.

FRANKIE (CONT'D)

threaten Monster High, huh, Watzie?

FRANKIE (CONT'D)

Hey, whaddya got there? Are you
chewin' on one of my hands?

FRANKIE (CONT'D)

Wait, that's not one of *my* hands.
Whose hand is that?!? Watzie! Come
