Russell spins around on a platform like she's being showcased on *The Price is Right*.

Parker admires Russell as she <GLISTENS>.

Parker's finger strokes and <PUSHES> in one of Russell's tusks. Russell's tongue <FLOPS> out of her mouth like a staircase.

Parker <ZIPS> into Russell's mouth. He admires her WAREHOUSE-like interior.

"THE RUSSELL" title cards flood the screen. Parker tries to evade them, but he can't. We hear an <OVERLAP> of the narrator announcing "The Russell" over and over again until--
