LEO
<LABORED BREATHING><PANTING> <GROANS>

WARRIOR
I got you sensei! Stay with me.

FUTURE LEO
You're a life saver, Casey Jones.

CASEY JONES
I learned from the best. C'mon, we're almost there.

CREATURES
<SNARLS AND GROWLS>

CASEY JONES
<HUSTLED PANTING>

FUTURE LEO
<HEAVY PAINED BREATHING>

FUTURE MIKEY
Bad doggies!

FUTURE LEO
Impeccable timing, little brother.
Very dramatic.

FUTURE MIKEY
<ATTACK EFFORT> Hhnnnn!

CASEY JONES
<GRUNTS>

CASEY JONES (CONT'D)
Help him, Michelangelo, he's hurt bad.

FUTURE LEO
<PAINED GROAN>
That's it, the Resistance failed--
the Krang won.
But-- but it isn't over. We've still
got a ninja's greatest weapon --
hope.
That and a badass Mystic Warrior.
Mikey, we need a time gateway.

FUTURE MIKEY
It'll take everything I have.

FUTURE LEO
I know. But this is our last chance.
It's our only chance.

FUTURE MIKEY
<SMALL AFFIRMATION MURMUR> Hmm.

CASEY JONES
Wait-- what's going on? Where is he
going??

FUTURE LEO
Casey, listen.

FUTURE MIKEY
<SMALL STRAINED EFFORT>

FUTURE LEO
The Krang first came to our planet
through a mystic doorway.
The key that opened the doorway
looked like this.

CASEY JONES
Why are you telling me this?

FUTURE LEO
Because Mikey's about to send you
back in time to the day that the key
was stolen.

CASEY JONES
Wait. He's gonna what??

FUTURE MIKEY
<GROWING STRAINED EFFORTS>
HHNNNNNNNN!!!

FUTURE LEO
The people who stole that key opened
the doorway for the Krang. You have
to find it before that happens. Find
the key, stop the Krang.

CASEY JONES
But, sensei--

FUTURE LEO
Say it!

CASEY JONES
Find the key, stop the Krang.
I don't want to lose you.

FUTURE LEO
Casey, it's not about me...

CASEY JONES
They found us! <GASP>

FUTURE LEO
<GASP> Mikey!

FUTURE MIKEY
<POWERFUL YELL>

CASEY JONES
Master Michelangelo! No! You're gonna--

FUTURE LEO
<DOLEFUL SIGH>

Wha-Waaaahhhhhhhh!!!!

CASEY JONES (CONT'D)
<SCARED SCREAM>

CASEY JONES
<GROGGILY GROANS> Where... I made it?

CASEY JONES (CONT'D)
Alright, Casey, here we go. Find the key, stop the Krang.

EMCEE TMNT
(sung)
*Rise... Teenage Mutant Ninja Turtles.
Rise.*

LEO

Easy does it, Leo. You've got this. Concentrate... The whole world is counting on you... to break the Pizza Box Stack record! One-hundred twenty-five boxes! You know they say it couldn't be done. But look who's doing it -- moi! You know, that's Spanish for Leo.

DONNIE

Go ahead, my non-lingual friend, count your unhatched fowl. My record stands until you reach the top. Which -- according to my calculations of wind speed, barometric pressure and dew point -- is *highly* unlikely. Wha-?

MIKEY

According to my calculations, as long as you believe in yourself, you can do anything!

LEO

Thanks, little brother. No one believes in himself more than me! Leo! Leo!

LEO/MIKEY

Leo! Leo! Leo!

LEO

Yes!

MIKEY

Yeah baby!

LEO

I am Leo!

RAPH

There you are! I've been looking all over for you guys!

LEO

Oh, hey Raph, guess who just broke the record!

MIKEY

<BEAT BOXING>

RAPH

What?! You did? How many did you--
<FRUSTRATED GRUNT> Stop distractin'g
Raph. We were supposed to be
training.

LEO

Tuh-duh-duh-duh. Hold that thought.
Donnie?

MIKEY

Dooooonnie.

DONNIE

<SIGHS> You, sir, have bested me.
Mazel.

LEO

Ahem.

MIKEY

Ahem.

DONNIE

<SIGHS> Leo, Leo...

LEO/MIKEY/DONNIE

Leo! Leo! Leo!

RAPH

Stop it!
Leo, we have work to do and you
dragged them out here for this?

LEO

Training... record-breaking... the
choice was clear.

DONNIE

Mmph!

RAPH

<FRUSTRATED SIGH> Dangit, Leo,
everything's not about you. When are
you gonna grow up and start acting
like a hero?

LEO

Aaannndd there it is. Gentlemen?

LEO/DONNIE/MIKEY

<MUNCHING ON PIZZA>

RAPH

Hey, what-- what was that? What are you guys doing?

LEO

It's a little game I invented. Every time you say the word "heroes" we take a bite of pizza.

RAPH

I don't say "heroes" that often.

LEO/DONNIE/MIKEY

<MUNCHING>

RAPH

Leo! So what if I say here-- that word a lot. It's a good word. We need to be that word!

LEO

Relax, Raph, we've got this hero thing wired. I mean, our ninjocity is off the charts, we've got some kickin' mystic weapons, and do I need to remind you who has four shells and defeated The Shredder?

RAPH

<FRUSTRATED GROAN>

LEO

Hey.

RAPH

Leo, you just don't get it.

DONNIE

Huh? What is all that racket-- oh that's me.
Looks like we have a 3-17 dash 3-9 point 4 in progress.

RAPH/MIKEY/LEO

Uhhhhhh...

DONNIE

Oh, come on! Has nobody read Donnie's Big Book of Bad Guy Codes?! Nobody??

RAPH/MIKEY/LEO

Nope. / Book? / Never gonna happen.

HYPNO-POTAMUS

We did it! We got the whatcha-ma-hoosey-doodle!

WARREN STONE

Of course we did! Nothing can stop super villain Warren Stone and his conjuring compatriot Hypno-Potamus.

RAPH

<RUNNING EFFORTS> There they are! Okay, here's the plan--

LEO

Raph, relax. Who needs a plan when we've got crazy cool mystic powers.

RAPH

Leo!

LEO

<LEAP TO ACTION EFFORT> Come on, swords, it's portal time! I'll see you guys later after I save the day. Buh-bye-oosh.

RAPH

Stop! We need to work together!

LEO

Hyah! Hnh!

HYPNO-POTAMUS

Wellington Sunday! It's those pesky Turtles. <GASP>

LEO

License and registration.

HYPNO-POTAMUS

Oh, I'm sorry, mate, I must've left it in my other jacket!

LEO

<STARTLED WALLA>

LEO (CONT'D)

<FLAILING DANGLING WALLA>

RAPH

Leo!

Oof! Leo, we're comin'!

LEO
Don't worry, I got 'em right where I
want 'em.

HYPNO-POTAMUS
<HURLING EFFORTS>

RAPH
Doesn't look that way to me.
Donnie, Mikey, maneuver twelve!

DONNIE
On it!

MIKEY
Whip-o-ramaaaa! He-uh!
Whoa!

WARREN/HYPNO
<TERRIFIED SCREAMS>

DONNIE
Prepare to be Donnie'd by my Mystic
Tech!

WARREN/HYPNO
Whooaaahh!! <YELLS>
<SKIDDING YELLS>

LEO
Uh, boy.

WARREN STONE
<SURPRISED YELL>

RAPH
Okay, creeps. Hand over the stolen
thingy!

HYPNO-POTAMUS/WARREN STONE
<NERVOUS UGH> / Oh no.

RAPH
<GASP> That's got to be what they
stole!
I got it!

LEO
With those clumsy hands? No. I got
this one.

RAPH
<GASP>

LEO

Gaah!
Oomph!

DONNIE

Waughh! You portal-chopped him!

LEO

"Portal-chopped." I like it! Maybe my new catchphrase? Okay, let's how it fits. "You've been portal-chopped!" <MAKES PORTAL-CHOPPED MUSIC STING>

HYPNO-POTAMUS/WARREN STONE

<STRAINED GROAN>

FOOT LIEUTENANT

Uh-uh-uh-uh. I'll be taking this.
<SINISTER LAUGH>

RAPH

<GASP> The Foot Clan?!

FOOT LIEUTENANT

Finally, after all these centuries this is ours!

HYPNO-POTAMUS

Yes, well of course, thanks to us. Delivered safe and sound. No problemo, partner. Hey, um, just quietly, are we partners? We are partners, yeah?

FOOT LIEUTENANT

<IRRITATED GRUMBLES>

MIKEY

Oh man, that thing must be dangerous if the Foot Clan wants it.

RAPH

Ya think?

LEO

Huh? What?

RAPH

I clearly said "I got it." Everybody heard me say "I got it."

LEO

Yeaahh, but I got it with style.

RAPH

But you didn't get it! You lost it!
And now we've got a Foot Clan
situation, Leo! <FRUSTRATED SCOFF>

LEO

Huh?

RAPH

What's it gonna take for you to be
serious, Leo?

LEO

And end up with a worry line between
my eyes like you? No, no, no. I do
not want a Raph Chasm.

RAPH

Chasm?!

LEO

You know, valley, gorge, crevasse.

RAPH

The only reason I have a chasm is I
have to worry about you bozos 24-7!
You just don't get it, Leo. I'm the
oldest here. I'm responsible for
keeping us safe and making sure we
can handle anything that comes our
way. 'Cause if I don't, you could
all end up dead.

LEO

Sorry, I missed that. Can you repeat
everything from, well, everything?

RAPH

<ANGRY BUILD-UP GROAN>

LEO

<REBOUND EFFORT>

No wonder you always want to train,
you really need the practice.

MIKEY

<NERVOUS GROANS>

RAPH

Let him go, Mikey.

DONNIE

No, no.

SPLINTER

Boys! Stop this arguing!

RAPH

But, Dad, Leo keeps--

SPLINTER

Bupbupbupbup! No more! You are a team, you are brothers, and most importantly you are TOO LOUD! I cannot hear my TV show! Tristan finally proposed to Annabelle, but did she say yes? I don't know because of you! Be the ninjas I taught you to be -- respectful... and quiet!

CASEY JONES

Sorry. Excuse me. Hey!
How am I supposed to find this thing?

CASEY JONES

<LANDING GROAN> Whoa.
So many people. How am I going to save them all, sensei? I really wish you were here.
Wait, you are! I just need to find you.

CASEY JONES (CONT'D)

April.
She'll know.

PROFESSOR

Huh?

APRIL

<CLEARS THROAT> Hi, Professor, do you have a sec?

PROFESSOR

Hmmm. Are you even in this class?

APRIL

I'm April O'Neil, journalism major. I write for the EastLaird University Daily News. Maybe I could get some shots of you, over there, at the whiteboard, for a story?

PROFESSOR

Oooh, of course!
So, uh, what, uh, what, uh, what should I do?

APRIL

You know, just write something science-y!

PROFESSOR

I actually have the perfect equation for your article...

APRIL

Alright. Now, a few where you're staring thoughtfully at your work.

PROFESSOR

Oh, I always stare intently at my equations, especially this one. You know, I think I should put on my lab coat for--

APRIL

Look at it!

PROFESSOR

Oh, okay. You know, I could probably stare at this equation all day.

APRIL

This is April O'Neil, investigative reporter for the EastLaird University Daily News. For years, this college shot down rumors that a foreign government is secretly paying them millions to develop a super-toxic herbicidal deforestation bomb. Those rumors end today, because I'm about to blow the lid off Big Chem!

APRIL (CONT'D)

<DIVING EFFORTS>

April O'Neil!

APRIL (CONT'D)

Ooo! This stuff looks nasty.

SECURITY GUARD

Hey!

APRIL

<SHOCKED GASP>

SECURITY GUARD

Who's there?!

APRIL
Evidence, baby.
<FUMBLING WOBBLE EFFORTS> Oh, boy.
Well, it's a good thing video ain't
the only thing I took.

CASEY JONES
April! Yes!

CASEY JONES
Commander O'Neil!

APRIL
Cat-like reflex! <PUNCHING EFFORT>

CASEY JONES
<PAINED GROAN>

APRIL
What's the matter with you creeping
up on a person in the dark??
What the...?

CASEY JONES
<SHARP GROGGY BREATHS>

APRIL
And then I saw that picture, and I
brought him here.

CASEY JONES
Sensei?

<GASP> / Huh? / Hmm?

CASEY JONES
<GASP> It's you! It's all of you!...
Together! I never thought I'd see you
again. I'm so happy I could hug you!
<STRUGGLE IMPACT WALLA>

RAPH
Who are you. Why do you have a
picture of us?

LEO
Yeah, who took this 'cause I look
great.

MIKEY

What's your favorite pizza 'cause I'm orderin' right now.

DONNIE

And why you are wearing GeniusBuilt apparel? That's trademarked!

MIKEY/LEO/DONNIE/RAPH

<STARTLED YELL><DODGING EFFORTS>

LEO

What's goin' on!?

MIKEY

He's trying to escape! <HIT IMPACT WALLA>

APRIL

Want me to knock him out again?!

RAPH

Let me.

MIKEY

Donnie? Donnie!

RAPH/APRIL

<DEFENSIVE EFFORTS>

SPLINTER

<POPCORN MUNCHING>

LEO

<SMALL WAIL> Guh!

CASEY JONES

Wait-wait, stop! I'm a friend, let me explain!

Let's start over. My name is Casey Jones. And the reason I have this photo and your tech is because you gave it to me. But not yet. Because I'm from... the future.

LEO/DONNIE/MIKEY/RAPH/SPLINTE/

APRIL

<LAUGHS>

CASEY JONES

This isn't a joke.

DONNIE

Oh please.

CASEY JONES

Oof!<IMPACT WALLA>

DONNIE

If time travel were possible...Future
Donnie would have come back and
already given me all the lottery
numbers like we planned.

CASEY JONES

It's true! I need you to believe me.
Humanity depends on it. In the
future, an alien race decimated the
planet. We were hunted, we lived in
caves, we ate leaves and rats--
No offense.

SPLINTER

None taken, we are delicious.
<CRUNCHING>

CASEY JONES

I know how this sounds. But Master
Leonardo gave me a mission.

LEO

I do like how he calls me Master.

RAPH

<AGGRAVATED SIGH>

CASEY JONES

Of course I do. You're the greatest
ninja the world has ever seen. You
told me to find the key and stop the
Krang.

APRIL

Aliens. Pfft, suuure. This story
just keeps gettin' better.
Splints?

SPLINTER

The Krang?
I have heard that name. Powerful,
barbaric creatures worshipped by the
Foot Clan. Legend says they came from
the stars.
Ruthless, unmerciful with one desire -
to enslave our world like so many
before us.

(MORE)

SPLINTER (CONT'D)

All seemed lost, until great mystic warriors forged a mighty Weapon -- a Key that was used to lock them in a prison dimension beyond this realm. Over the centuries, the Mystic Key remained hidden to protect humankind and prevent the return of... the Krang.

LEO

So...

APRIL

Future Boy is really from the future?

MIKEY

Mind... <SMALL EXPLODING SOUND>

CASEY JONES

Someone finds the key. Today they steal it and use it to open a doorway and free the Krang. That's why I came back, to find it first. Master Leonardo drew a picture of it on the back of that photo. So, to stop the Krang, all we have to do is find the key before it's stolen.

MIKEY/RAPH/DONNIE

<DISAPPROVING GRUMBLES>

CASEY JONES

What?

LEO

Yeah, um, did future handsome amazing me tell you what to do in case that already happened? 'Cause that already happened.

SPLINTER

<DISAPPOINTED GROAN>

CASEY JONES

Oh no. We're too late. <DEFEATED SIGH>

RAPH

No we're not 'cause we know who has the key -- the Foot Clan. Okay, team, we gotta find them before they use it. And this time we do it together.

LEO
Meh-Meh-Meh!

CASEY JONES
Uhh. Can someone untie me now?
<STRUGGLING EFFORTS> Oh no! <IMPACT
OOF>

HYPNO-POTAMUS
Villain to villain your hideout is a
bit, uh, lacking. Might I suggest
some velvet, a fire place, maybe a
fuzzy white cat with a diamond
necklace?

FOOT LIEUTENANT
Tonight, we liberate our masters from
their dimensional prison. With this
Key, we shall free them to lay waste
to this world and enslave its people.

WARREN STONE
Uhhh, I thought we were just gonna
rob a bank and be, you know, crime
buddies.

FOOT LIEUTENANT
We shall follow the Krang as they
lead the Foot Clan to glory--!

LEO
Borroored!

FOOT LIEUTENANT
You!

RAPH
Leo!

LEO
What, I was waiting for a good spot
to jump in, but they just kept
blabbity-blabbing.

CASEY JONES
There it is! That's the Key!

FOOT LIEUTENANT
Get them! Don't let them interfere
with the ceremony!

FOOT SOLDIER/CASEY JONES
<IMPACT GRUNT>/Oof!

CASEY JONES

No!
It's started! He's unlocking the
doorway. We need to get up there
right now!

FOOT SOLDIERS

<LEAPING EFFORTS> <BATTLE GRUNTS>

LEO

Casey, go. We got you covered!

CASEY JONES

Whoa!

CASEY JONES

Oh no, they're here.

RAPH

Then let's make sure their visit's
short and sweet.

KRANG #1

<PANTING> I'm finally free. The
people of this planet will pay for
what they've done to me.

 Raph, what happened to our powers?

DONNIE
Th-they're gone!

LEO
What did they do to us?

KRANG #1
Brother, sister, join me! Time for
us to finish remaking this universe
in the image of Krang.

KRANG #2
<CHUCKLES> How I've waited for this
day.

KRANG #1
Indeed.
Brother, widen the portal and
retrieve our ship, the Technodrome.
Once it is here, this world will
kneel before us.

You don't understand. If we don't close that doorway, it's only gonna get worse!

LEO

Raph...

<IMPACT LANDING WALLA>

DONNIE
<GROANS> Oh, I hate that.

APRIL
Everyone okay, anybody hurt?

MIKEY
How did we get here?

DONNIE
Donniepods. We've never had to use
those before.
So, how would everyone rate their
escape experience? Very satisfied,
very-very satisfied, extremely
satisfied--

APRIL
Donnie!

DONNIE

Sorry, sorry. Data collection calms me down.

SPLINTER

<PAINED GROAN>

APRIL

<GASP> Splints!

CASEY JONES

This is terrible. Why did we leave?!

MIKEY

In case you didn't notice, we were getting our butts kicked!

CASEY JONES

But my mission was to stop them! Right now the Krang are using that Key to bring in something that will destroy the world. We lost.
<DODGING EFFORT>

LEO

<HEAVY BREATHING>

MIKEY

Where's Raph?

DONNIE

Where's my other pod-- I mean where's Raph?

LEO

<ANGRY GROWL> Did you know this would happen?! Why didn't you tell me?!

CASEY JONES

What're you talking about?

MIKEY

Easy, Leo, what's going on? Where's Raph?

DONNIE

Leo, what happened to Raph?

SPLINTER

Leonardo?

LEO

They... they got him.

APRIL
You left Raph?

LEO
He left himself! He used his pod to
save me.
All because I went after this stupid
thing.

CASEY JONES
You got it. Nice!

LEO
"Nice"? They captured Raph!
He's from the future, he knew this
would happen.

CASEY JONES
I didn't! This didn't happen in my
time.
We changed the past!
And you got the Key. That means
there's still a chance to stop them.

LEO
No, we have to save Raph. Come on.

DONNIE
Leo, wait.

LEO
If you won't come, I'll go myself.
<STRUGGLE EFFORTS>

DONNIE
We've lost our mystic powers.

MIKEY
We don't have a plan.

LEO
<STRUGGLE GROAN> We don't need a
plan. Remember, I'm the greatest
ninja the world's ever seen.
His words.

DONNIE
Shouldn't we talk about this before
we run off all half-cocked, willy-
nilly, pell-mell?

LEO
Look, I keep being told I'm doing
this hero thing wrong.

(MORE)

LEO (CONT'D)

But I got the Key, didn't I? I get results, so now we're doing it my way.

SPLINTER

My son, listen to your team. This is not about you.

LEO

<GRUNT> They made it about me when they took my brother!

LEO (CONT'D)

Trust me, I got this.
Donnie, you're driving.

APRIL

What do we do with this?

CASEY JONES

We can't just bring it with us, but we can't just leave it behind.

APRIL

Then we should destroy it. Splints and I will stay here and take care of business.

SPLINTER

<GROANS> Mm-hmm!

CASEY JONES

Thanks, Commander O'Neil.

APRIL

Commander? I like the sound of that.

RAPH

<STRUGGLING EFFORTS>

KRANG #1
She's got a bit of a temper.

RAPH
<UNCOMFORTABLE GROAN>

KRANG #1
And being imprisoned for a thousand years hasn't done her any favors. You're not human. What are you?

RAPH
Let me go and I'll show you.
<INTIMIDATING STRAINED EFFORT> <RILED UP PANTING>

KRANG #1
Hm, you're more powerful than the people of this planet, yet you defend them. Why?

RAPH
It's my duty.

KRANG #1
<DERISIVE CHUCKLE> A word used by the weak. Many planets before yours have spoken of duty. They too have been consumed by the Krang. And now our glorious crusade continues. To restore the natural order of things. The strong will devour the weak.

RAPH
Last I checked we weren't the ones locked in a prison dimension for a thousand years. That's called trash talk.

KRANG #1
A rare misstep. Once I retrieve the Key from your comrades, I will bring forth the mighty Technodrome and you will witness the true power of the Krang. Now where have they taken my Key.

KRANG #2
It won't tell you anything. Let me kill it!

RAPH

<SHARP GASP> Lady brain face here is right. I'm not telling you jack.

<SINISTER CHUCKLE> You don't have to tell me. I'll look myself. <HIGH-PITCH WAIL>

roll in the past, I mean, uh,
present, I mean-- Uch! Time travel's
confusing.

DONNIE

They're on the move.
According to the subcutaneous tracker
I put on Raph--

LEO

Wait, does that mean you put trackers
on all of us?

DONNIE

...Noooo. No. Of course I did...n't
Based on their trajectory, they're
headed--

CASEY JONES

To the tallest building in the city.

DONNIE

That's right, Metro Tower.

CASEY JONES

I heard the story so many times as a
kid, but I never thought...
And behold, from their perch atop New
York City, the Krang ripped open the
sky itself. What came out was
terror. And what rained down upon
us... was worse than death.

MIKEY

They told that to kids?! Man, the
future is harsh.

LEO

Well I'm not going to let that
happen. We need to get into Metro
Tower without being spotted? We'll
take the subway tunnels.

DONNIE

Subway tunnels don't offer much in the way of an escape if we need it. Are you sure about this?

MIKEY

Yeah, maybe we should go--

See, smooth sailing. We'll have Raph in no time.

MIKEY

I hope he's okay. How are we going to find him once we get there?

DONNIE

I have a lot of questions regarding
once we get there.

LEO

Relax, guys, we'll do what we always
do - ninja in, ninja their faces,
ninja out.

CASEY JONES

That's exactly how you freed all those
families from the Krang labor camp.

LEO

Yeah, that sounds like me.

CASEY JONES

In the future, you guys are beyond
amazing. The mystic powers you're
able to harness from within are on a
whole other level.

DONNIE

Of course, how have we not asked
about my future? Don't let me down,
I am expecting big things from me.
How many Nobel Prizes do I have-- No,
don't tell me, I want to be
surprised.

CASEY JONES

Donnie, you were the most brilliant,
innovative mind of all time.

DONNIE

Un-shocked, I am. Go on, continue to
meet my expectations.

MIKEY

What do I do in the future?

CASEY JONES

You are the most powerful mystic

Casey, listen to me, when I get to
the other side, you close that door!

CASEY JONES
What?? Sensei, no!

LEO
Casey, it's the only way. He's too strong. He's not gonna stay on the other side unless I keep him there.

CASEY JONES
There has to be another way.

LEO
We tried everything, Case. This is the only way.

RAPH
Leo, please don't do this. Leo!

LEO
<CHUCKLE> You're one to talk, big bro.
Hero moves are totally your style.

KRANG #1
<CHUCKLE> Out-matched and alone, yet you persist. For what? Honor, redemption, sacrifice? All meaningless.

LEO
We'll see about that.
<FIGHTING EFFORTS>

LEO (CONT'D)
<STRAINED GROAN>

LEO (CONT'D)
<PAINED IMPACT SLAM>
Ahh!
<STRUGGLE MOAN>

CASEY JONES
Leo, please. I can't lose you again!

LEO
Hey, future me would be real proud of you. I'm proud of you.

KRANG #1
Weak words, weak actions. I have forever known what you fail to understand -- strength always prevails.

LEO
<PAINED GRUNTS>

LEO (CONT'D)
What you fail to understand is...
I missed on purpose!

KRANG #1
No! Enough of your little tricks.

LEO
<PAINED IMPACT GROANS>

LEO
<STRAINED GROAN> Casey, close the
portal now!

KRANG #1
What?!

CASEY
<STIFFLED SOBS>

KRANG #1
<LEAPING EFFORT> No! Let go of me.

LEO
Casey! Please!

CASEY JONES
<STIFFLED WHIMPER> <GRABBING EFFORT>

LEO
You've been portal chopped.

LEO (CONT'D)
<PAINED IMPACT GROANS>

KRANG #1
You.

KRANG #1 (CONT'D)
You've ruined everything. And now
<MENACING CHUCKLE> my wrath will be
reserved for you alone. You think
you've won, you wretched little pest!

LEO
<PAINED IMPACT EFFORTS>

KRANG #1
Wipe that grin off your face.

RAPH
Mikey, whatever you're doing, don't
stop!

MIKEY
<STRAINED EFFORTS> <SMALL GASP> Huh?

RAPH
We're here, Mikey. Together.

RAPH/MIKEY/DONNIE
<INCREASING STRAINED EFFORTS>

LEO
<WEAKENED EFFORTS> Took you guys long

CASEY JONES
So this is "grabbing a slice"? I
don't get it.

MIKEY
Wait for it.

CASEY JONES
Mmmmmmmmm. So much better than rats.

MIKEY/DONNIE/RAPH/APRIL
Mmhmm!

SPLINTER
Hey!

LEO
Hey, the rest of the world we saved
is pretty great, too.

APRIL
Alright, everybody, look up here.

MIKEY
<JOYFUL LAUGHTER>

CASEY JONES
April, you just got a message from
someone named Cassandra.

APRIL
Whoa! Looks like our friend
Cassandra here has been busy.

CASEY JONES
That's my mom!

DONNIE
There goes the space-time continuum.

MIKEY/SPLINTER
<STUNNED GASP>

APRIL/SPLINTER
W-hoa!/<CHUCKLING>

RAPH
You did it, little brother. You
really did it. I'm proud of you.

LEO
This wasn't about me. It was about
all of us doing what needed to be
done. Because we're heroes.

RAPH
<CHUCKLES> You said "heroes".

DONNIE/MIKEY
<AMUSED LAUGHTER>

DONNIE
There it is, gentlemen. Our home.
What a town.

MIKEY
Beautiful.

LEO
And if it needs defending, we'll
always rise to the challenge.

RAPH

Speaking of which. You know what
challenge I'm gonna rise to?
Beatin' that record!

APRIL/DONNIE/MIKEY/SPLINTER

Yay! Yeah! Woohoo! Alright!

LEO

No way! Okay, fine!

DONNIE

Alright, Big Raphie, let's do it!

LEO/MIKEY/DONNIE

Raph! Raph! Raph! Raph! Raph!
Raph!
