

**COMMERCIAL TIME – CHILDREN’S PROGRAMMING  
VIACOM MEDIA NETWORKS CERTIFICATION: 4th Quarter 2011**

The following certification is provided regarding compliance during the period of October 1, 2011 to December 31, 2011 (the “Current Quarter”) with the commercial time limitations set forth in the FCC’s April 12, 1991 Report and Order Implementing the Children’s Television Act of 1990 (the “Act”) and the rules adopted therein.

NICKELODEON aired children’s programming during the Current Quarter to the extent indicated by the attached program schedules. The children’s programming NICKELODEON aired during the Current Quarter contained commercial matter in an amount that was not more than 12 minutes per hour on weekdays and 10.5 minutes per hour on weekends. NICKELODEON accordingly certifies that it is in compliance for the Current Quarter with the limitations set forth in the Act and FCC rules.

NICK JR., TEENNICK, NICKTOONS NETWORK and TR3S: Musica Y Mas aired children’s programming during the Current Quarter as indicated by the attached program schedules for those services, and, other than as set forth below, to the extent these services carried commercials, the amount of commercial matter was within the time limitations set forth in the Act.

TeenNick discovered during the Current Quarter that over a 3-week period for the prior quarter (specifically during September 3-24, 2011) during time adjacent to children’s programming, TeenNick aired a 30-second promotional announcement (the “Spot”) for the 2011 TeenNick Halo Awards show, a pro-social program that celebrates, recognizes and honors public service efforts of inspiring teenagers who work to make the world a better place (the “Show”). The website address “teennick.com/halo” was displayed during the Spot, together with a voice-over announcement encouraging viewers to visit the site to share their own inspiring stories of public service. The Show’s website i) offers a substantial amount of bona fide program-related and other non-commercial content; ii) is not primarily intended for commercial purposes; and iii) has a home page and menu pages that clearly distinguish the non-commercial sections of the site. The page of the site to which viewers were directed, however, contained banner advertisements for a third party that sponsored the Show. Although the Spot was the only promotional announcement for the Show which aired on TeenNick, it ran on multiple occasions during the above-referenced period in the last quarter and contained commercial time overages ranging from 29 seconds to 1 minute, 28 seconds per hour for a total of approximately 45 minutes and 39

seconds. Once the overages were discovered, steps were taken immediately to insure that the Spot would not run again during children's programming and, in order to address the excess commercial load, TeenNick reduced its commercial inventory during the month of October 2011 by an equivalent amount of time during programming periods comparable to the periods in which the Spot was aired in September.

Program services MTV, MTV JAMS, MTV HITS, MTV2, PALLADIA, VH1, VH1 SOUL, VH1 CLASSIC, MTVU, CMT, CMT PURE COUNTRY, LOGO, TV LAND, COMEDY CENTRAL AND SPIKE TV did not air any children's programming subject to the requirements of the Act during the Current Quarter.
